

Application Instructions:

Once you have completed the online application, in order to expedite the application process, please fax or email a voided copy of your check and a photocopy of your driver's license to (1-888-413-1301) or (accounting@cellcharge.com). Unfortunately, we are not able to accept temporary checks so if you just opened your account you will need to get a printed letter from your bank on bank letterhead stating that you are the authorized signer of the account with both the account and routing numbers on it. If you have any questions please call 1-866-750-0271.

Once we receive your documents it typically takes 2 business days to get your account setup. Once your application is approved call 1-866-750-0269 to obtain your pin number and monthly processing limit. Once you have this information you are ready to accept credit cards! Your toll free transaction phone number is 1-866-750-0270.
